Dear Madam,

One day last week
I was in Bingham, Port, N. New York
Private Detection found me out
as he thought but, & forced him
he was very much interested in
the Hall's Mills Case, so by
express, he got. Nothing out of me
but, no doubt, he will meet me
again, but he will have to go
home. I am leaving here this week
for God only knows where, but
be assured that Mum, was from
W. R. Hearst, offic and. I think it.

Sincerely yours
